Course description - What is the course about?

Learn how to sculpt in clay by exploring a range of theme based tutor led projects.

What can you expect to achieve by the end of the course?

Learn how to research and explore ideas for Sculpture projects and develop design skills. Explore new techniques in hand building to achieve various sculptural forms. Learn how to use armatures to support the making of sculptural forms.

What level is this course?

This is a mixed level course - near beginners onwards.

Is this course externally accredited?

N/A

Previous experience or qualification required?

Yes, some prior experience with ceramics is required.

Will I be expected to do homework?

Generally no, but you may be asked to do some research for project work.

How will I be taught? How will learning be assessed?

You will be taught mainly by practical demonstration with some formal presentation.

What will I need to bring to each lesson?

Notebook and pencil/pen.

Will I need to purchase materials?

No.

Are there any additional costs after enrolment?

No, all resource costs are included.
