Course description - What is the course about?

Learn how to make and decorate pottery to take home.

What can you expect to achieve by the end of the course?

You will learn how to make pottery pieces using a wide range of hand-building and decorating techniques including pinching, coiling, slab work and glazing.

What level is this course?

This course is for supported learners with no experience of ceramics or who have already developed some skills.

Is this course externally accredited?

No.

Is any previous knowledge/experience/qualification needed?

No.

Will I be expected to do homework?

No.

How will I be taught? How will learning be assessed?

You will be taught mainly by demonstration by the tutor. You will work on a project as a class as well as produce individual pieces. The tutor will observe you working and give you regular feedback. There will also be feedback from other learners.

What will I need to bring to each lesson?

You don't need to bring anything to the sessions.

Are there any specific materials I will need to purchase?

No.

Are there any additional costs after enrolment?

No, all costs are included in the course fee.

Can I join the course later in the term?

Yes, if tutor is in agreement and there are places available.

What progression opportunities are available?

We also offer Cookery, English and Maths for Supported Learners which can be viewed at www.newdirectionsreading.ac.uk
